

## Avaya B179 SIP Conference Phone

**Brand:** Avaya

**Model:** &nbsp;B179

**Stock:** 2-3 Days

**SKU:** 201984

Enhance collaboration and productivity with a simple, sophisticated conference calling solution that delivers clear audio and smart features to board rooms and large conference rooms.

### **More About Avaya Conference Phones**

Provide your teams with a high-level audio-conferencing device that delivers crystal clear sound and expandable capabilities to maximize the impact of every conversation—in the office or on the go.

### **Easy On-the-Go Conferencing**

Let teams communicate on their terms to produce the best outcomes. Personal speakerphones enable employees to conduct meetings from virtually anywhere, be it a huddle room or hotel room.

### **Clear ROI**

Dramatically reduce travel time and expenses without compromising the quality and functionality teams need for effective collaboration.

### **Strong Environmental Impact**

Save money and the environment by minimizing (or eliminating) travel with a highly efficient conferencing solution that increases productivity and creates a greener business footprint.

### **Flexible, Customizable Device Range**

Choose from a range of high-quality, easily expandable conference phones to meet the exact needs of your conferencing environment.
